What's Not Covered

Your new home warranty plan covers quite a bit, but not everything. Normal maintenance like changing your A/C filter isn't covered, and neither are non-mechanical parts of your home like windows and doors.

Even systems or appliances that are covered may have additional costs you'll need to pay for out of pocket, like:

- Disposal of equipment being replaced including A/C, heating units and appliances
- Recovery and disposal of A/C refrigerants
- Electrical, plumbing or ductwork modifications
- Upgrades needed to meet current code requirements
- Required permits

And there are some circumstances that aren't covered, like when damage results from:

- Acts of nature, like flooding, tornados, hurricanes, freeze damage
- Lightning and surge events
- Misuse or abuse
- Improper installation
- Pest damage

Home Service Agreement

This Home Warranty Agreement, hereinafter referred to as the "Agreement", is issued by the entity listed for your state on the Coverage Summary page. Such entity is hereinafter referred to as the "Issuing Company", or "we", "us", and/or "our". The owner of the home covered by this Agreement is hereinafter referred to as "you" and/or "your". This is a Home Service Agreement, not an insurance policy.

This Agreement is intended to provide protection against the cost of repairing certain types of mechanical failures of specific items in your home. **Please read the Agreement carefully. Coverage includes only certain mechanical failures of the specific items listed as covered on your Agreement Coverage Summary and excludes all other failures and/or items. The Agreement Coverage Summary is attached to and made a part of this Agreement. Coverage is subject to the limitations and conditions specified in this Agreement.**

This Agreement has provisions for the use of final and binding arbitration to resolve disputes and otherwise limits the remedies available to you. Please see DISPUTE RESOLUTION section for more information about arbitration.

I. BASIS FOR COVERAGE

We agree to pay the covered costs to repair or replace the items listed as covered on your Agreement Coverage Summary if any such items become inoperable during the term of this Agreement due to mechanical failure caused by routine wear and tear. Determination of coverage including the operational condition as of the Agreement effective date for any claim will be made solely by us, considering but not limited to, our independent contractor's diagnosis. We reserve the right, at our option, to replace items rather than repair them. The definitions of the specific items that may be listed on your Agreement Coverage Summary as covered, as well as other limitations on coverage and other terms and conditions, are listed below.

This Agreement covers only mechanical failures relating to the mechanical parts and components of those domestic-grade items that were in the home and in proper operating condition on the Agreement effective date. "Mechanical failure" occurs when a covered item becomes inoperable and unable to perform its designed function, subject to the limitations and conditions set forth herein. We will cover an unknown pre-existing mechanical failure provided the failure could not have been detected by visual inspection or simple mechanical test. A visual inspection of the covered item is considered to mean the viewing of an item to verify that it appears structurally intact and without damage or missing parts that would indicate inoperability. A simple mechanical test means the ability to turn the unit off and on verifying the item operates without irregular sounds or smoke that may indicate a problem. In certain instances, we may require documentation from you during a claim review.

"Domestic-grade" items are those that were designated by the manufacturer, manufactured and marketed solely for installation and use in a residential single family dwelling. The covered item will be deemed to have been in "proper operating condition" on the Agreement effective date if it was correctly located within the home, was properly installed to code at the time of installation, was fully connected, was capable of successfully performing all operations commensurate with the manufacturer's original design intention, and did not pose any hazard to life or property. Determination of the operating condition as of Agreement effective date, and the nature of any failure, will be made by us based upon the professional opinion of our direct employees, considering but not limited to, our independent contractor's diagnosis.

II. DEFINITION OF BASE ITEMS

This Agreement provides coverage only for those items specifically listed as being covered on your Agreement Coverage Summary. An additional fee may be required for additional systems, appliances or optional coverage's. Coverage of some items may not be available under all plans or in every state.

This Agreement defines precisely what mechanical systems and appliances, and which of their parts and components, are covered; only those items specifically so described are covered, subject to the limitations and conditions herein. The items listed in this section as "Examples of Items/Conditions Not Covered" are not meant to be all-inclusive and are provided for illustration. They do not limit our right to decline coverage for items not on the lists and should not in any way be deemed an expansion of items specified as Covered.

III. SERVICE

1. We are available twenty-four (24) hours a day, seven (7) days a week. When repair or replacement services covered by this Agreement are required, you must call the toll-free service number printed on your Agreement Coverage Summary page or request service online at www.placemyclaim.com. If you fail to notify us of any mechanical failure prior to the expiration of your Agreement during which the failure occurred, we will not be responsible for the cost of any repairs and/or replacements resulting from the mechanical failure.

Home Service Agreement

2. We will use reasonable efforts to provide a referral to an independent service contractor within two (2) hours after the service request is received during normal business hours and within twenty-four (24) hours for requests received after normal business hours including weekends or holidays. We will determine, at our sole discretion, which repairs constitute an emergency requiring expedited service and will give consideration to covered mechanical failures that affect the habitability of the dwelling.
3. All repair and/or replacement work covered by this Agreement must be performed by an independent contractor and approved by us in advance. **We are not responsible for expenses you incur without our express consent.** We will not reimburse you for any costs associated with unauthorized repairs or work performed by unauthorized contractors.
4. **This Agreement may include a deductible charge, as listed on your Agreement Coverage Summary. If a deductible is required, you must pay per trade on each service call made towards the covered portion of any claim.** When a covered claim requires more than one trade to complete the covered repair/replacement only one deductible charge will be required. Trades include appliance, air conditioning, heating, electrical, plumbing, and any other trade specifically required to service items listed on your Agreement Coverage Summary. You will be responsible for and shall pay the independent contractor directly for the service call and for actual work performed and/or items installed, up to the amount of the deductible at the time of visit(s), in a manner acceptable to the independent contractor. You are responsible and must pay the independent contractor for any amounts due for services performed or parts installed that are not covered under the terms, conditions and provisions of this Agreement. A service call includes, without limitation, the action of inspecting, diagnosing, and/or performing service for the repair or replacement of a malfunctioning item.
5. You agree to provide access to the covered property during normal business hours for the independent contractor to diagnose, obtain approval for, and/or complete repairs for covered mechanical failures. You agree to pay us and/or our independent contractor any service charge and additional charges assessed by our independent contractor resulting from your failure to provide access and/or for missed appointments.
6. Should any building or zoning permits be necessary, you are responsible for paying for and/or obtaining these permits and the cost associated with these permits. Any testing required by state or local municipalities such as but not limited to load calculation; duct certification are not covered under this agreement.
7. **The decision to replace rather than repair items is solely our option.** Should we choose to replace an item, the replacement will be the base model that meets all applicable federally mandated minimal manufacturers' standards, performs the same primary function, and has a capacity comparable with the covered item, when available with domestically assembled units. We will make reasonable efforts to provide replacement items of similar mechanical capabilities and/or efficiency of the original unit, when available. We are not liable to provide exact match in color, dye, lot, material, type or brand. When replacing systems or appliances, we will be responsible for the installation of the replacement item but not for the cost of the construction, modifications, carpentry or transitional work made necessary in order to accommodate the replacement, nor for any costs to upgrade or modify items for any reason.
8. At our discretion, we may give you the option to elect to receive a repair/replacement credit or cash payment (net of deductible) in lieu of providing a repair/replacement. In such cases, the amount of such credit shall be equal to the lesser of our approved cost of repair/replacement or your actual and/or estimated cost of repair/replacement. If you elect a credit to our independent contractor, we will pay that amount directly to the independent contractor after the work has been completed. If you elect the cash payment, you must supply documentation supporting that the item in question has been purchased, replaced or repaired prior to receiving the cash payment. Any replacement item must be installed in the covered property as listed on the Agreement Summary Page. Should we determine to replace an item and you elect the cash payment to repair the item, the item will be excluded from further coverage under this agreement and subsequent renewals. **The amount of the approved cost of repair or replacement will be established by us at our sole discretion.** We reserve the right to inspect repaired and/or replacement items.
9. We reserve the right to obtain, at our expense, a second opinion by an independent contractor prior to determining eligibility for coverage.

1. This Agreement shall not cover any item(s) if they are: mismatched systems with components having incompatible capacity ratings; modified from the original manufacturer design or application; items determined to be defective by the Consumer Product Safety Commission or the manufacturer and for which either has issued, or issues, a warning or recall, or which is otherwise necessitated due to failure caused by the manufacturer's improper design, use of improper materials and/or formulas, manufacturing process or any other manufacturing defect; improperly installed; or below the slab or basement floor of the home; or located outside the perimeter of the main foundation (i.e., outside the outer load bearing walls of the structure with the exception of central air conditioning unit, main electrical panel) or unless specifically covered with optional coverage purchased for items outside the main perimeter.

All such costs are your responsibility.
5. SEER (Seasonal Energy Efficiency Ratio) operational compatibility: If we elect to replace an air conditioning condenser or heat pump unit, and it becomes necessary to make a mechanical modification to the evaporator coil in order to provide operational compatibility, we agree to pay the covered costs for one (1) of the following (determination is at our sole discretion) only: expansion metering device, or coil, or air handler. This Agreement does not cover any costs associated with modifications or upgrades required to match efficiency value, rating or ratio.
6. This Agreement does not cover: fees associated with the removal and/or disposal of old systems, appliances and components; any fees or costs associated with Freon reclamation.
7. This Agreement does not cover: fees associated with the removal and/or disposal of hazardous or toxic material or asbestos.

10. This Agreement does not cover ductwork with the sole exception of ductwork that is exposed and readily accessible to service a mechanical failure of a covered air conditioning or heating system or item. This Agreement does not cover: asbestos insulated ductwork; concrete encased or inaccessible ductwork; crushed/collapsed ductwork; ductwork damaged by moisture, water, pests and/or animals; insulation; registers, grills and dampers; underground ductwork. Inaccessible ductwork refers to ductwork that is used in central heating and/or air conditioning systems that is not exposed and cannot readily be accessed for replacement or repair due to design and installation obstacles such as, but not limited to, permanent partitions, chimneys, etc., and ductwork embedded in floors, walls or ceilings.

Home Service Agreement

11. This Agreement does not cover any costs incurred to gain access to a covered item, system, appliance or component in situations where there is not adequate capacity or space for serviceability caused by, but not limited to, walls, floors, ceilings, permanently installed fixtures, cabinets, snow/ice covered areas, flooded areas, or personal property. In the event it is necessary to open walls, floors, or ceilings, or to move such fixtures, cabinets, or personal property to perform a diagnosis or service, we are not responsible for restoring such openings, items, or property. This Agreement does not cover any costs associated with equipment to gain access or permit serviceability such as but not limited to scaffolding.
12. This Agreement does not cover delays or failures to provide service caused by, or related to: any of the exclusions listed herein; shortages of labor and/or materials; or any other cause beyond our reasonable control. V. PROPERTIES ELIGIBLE FOR COVERAGE

1. This Agreement covers a single family residence, including a condominium, townhouse or villa used solely for residential purposes. Multi-family residential income property of more than two-units is not eligible for coverage. Any dwelling used in whole or in part for commercial purposes such as, but not limited to, a day care facility, a group home (5 or more unrelated individuals cohabiting in same household) or fraternity-type house, "bed and breakfast", church or school will not be covered. Notwithstanding the exclusion of "group homes", this Agreement provides coverage under a special exception for special purpose group homes devoted to housing persons with mental and physical disabilities, as those terms are defined by the Americans with Disabilities Act at Title 42 of the United States Code Section 12102(2)(A). Homes listed or registered in any historical register, including without limitation the National Register of Historic Places are not covered. Whether or not this Agreement covers a condominium unit, mobile home, manufactured home, or multi-family property (duplex), any repairs and/or replacements are limited to the Items solely used by and located and serviceable within such single unit (unless specified otherwise). No common area Items shared by non-warranted units shall be covered by this Agreement.

2. Mobile homes constructed within ten (10) years of the effective date of the Agreement are eligible for coverage, provided they are permanently secured to the ground and, you own the land on which the mobile home is located. Mobile/manufactured homes that are located in a division operated similar to a condominium, where maintenance is provided, are also eligible for coverage.

VI. CANCELLATION

1. You may void this Agreement within 30 days of the coverage effective date for a full refund of the contract fees paid if no claim has been made. The right to void this Agreement as provided in this paragraph is not transferable. A ten percent penalty per month will be added to any refund required under this paragraph, including any accrued penalties, that is not paid or credited within 30 days after termination of this Agreement pursuant to this paragraph.
2. You may cancel this Agreement within 30 days of the coverage effective date if a claim has been made, or at any time thereafter, at which time you may be entitled to a refund of unearned contract fees paid based on the short rate schedule less a processing fee of twenty-five dollars (\$25) and less the cost of any services performed pursuant to the Agreement, where permitted by law. If the refund calculation results in you owing us payment for services provided, we may bill you for the lesser of the net amount due to us or the unpaid annual term contract fee. We will bill or charge you any balance owed to us through the same mechanism as any previous installment billings, or we will direct bill you if such a mechanism is not available.
3. We may terminate this Agreement immediately, after any applicable notice provisions, for non-payment, fraud or material misrepresentation. If we terminate for fraud or material misrepresentation, this Agreement is void and we shall refund all paid contract fees if no claims have been made. If a claim has been made, we will follow normal cancellation procedures as outlined in this section.

Arbitration shall be conducted within the geographical limits of the applicable federal district court where the Covered Property is located, or such other location upon which both parties mutually agree. The Commercial Arbitration Rules and Supplementary Procedures for Consumer-Related Disputes of the American Arbitration Association (the "Arbitration Rules") in effect at the time arbitration is demanded by either party shall govern the arbitration proceeding and the selection of one neutral arbitrator to preside over the proceeding. The arbitrator is empowered to decide all Disputes and all questions related to the enforceability and scope of these Dispute Resolution provisions, including but not limited to the validity, interpretation and applicability of these Dispute Resolution Provisions. Additionally, this transaction involves interstate commerce, and these Dispute Resolution provisions shall be governed by the Federal Arbitration Act, as amended (9 USC 1). No arbitration may proceed on a class or representative basis, and the arbitrator may not consolidate any arbitration proceeding governed by these Dispute Resolution Provisions with any other person's arbitration proceeding, and may not otherwise preside over any form of a representative or class proceeding. Under the Arbitration Rules, although each party is required to pay certain administrative and arbitrator fees, the amount the consumer may be required to pay is limited. Each party to arbitration is responsible for its own attorney's fees, if the party chooses to be represented by an attorney.
2. **CLASS ACTION AND JURY TRIAL WAIVER:** Each party to this Agreement may bring a Dispute against the other only in its individual capacity and not as a plaintiff or class member in any purported class or representative proceeding. Should you suffer a mechanical failure covered by this Agreement at a time when there are unpaid installments due from you, whether or not such payments are due or overdue, we reserve the right to deduct all or any portion of any unpaid amounts from the amount of loss covered by this Agreement for such incident, or to require payment of the entire remaining unpaid balances prior to covering the loss for you as we deem necessary or desirable. Our failure to exercise any such right on one occasion shall not be deemed a waiver of such right on other occasions.
5. **Waiver.** Should we waive any of our contractual rights; such waiver will not constitute a future waiver of said rights.
6. **Disclosure.** The price of the Agreement includes the full amount of all fees due and payable as well as the costs of processing and administration for the Issuing Company and its agents where allowable by law. Any applicable state or local sales taxes are in addition to the price of the Agreement.
7. **Severability.** If any provision of this Agreement is determined to be invalid or unenforceable, in whole or in part, by any rule of law or public policy, all other conditions and provisions of this Agreement shall nevertheless remain in full force and effect.
